Welcome

Welcome to **Three Miles International Trading & Contracting Co.** We are delighted to introduce you to our world of innovative solutions, unwavering commitment to quality, and a dedication to exceeding expectations.

Three Miles is a dynamic and trusted partner to a wide spectrum of industries, including Oil and Gas, Electromechanical, Petrochemical, Power Generation, Academic Institutions, Commercial Enterprises, and more. With our headquarters located in the vibrant city of Dammam, Saudi Arabia, we have been on a mission to redefine excellence in our field.

Our journey is characterized by a rich history, a strong set of values, and an unyielding passion for what we do. Since our inception, we have strived to deliver services that transform industries, improve lives, and create lasting value for our clients.

Our **Commitment to Excellence** is not just a phrase —it's a way of life. We are driven by innovation, integrity, and a relentless pursuit of customer satisfaction. Our team of highly qualified professionals, coupled with our extensive experience, enables us to execute projects with the highest regard for quality, safety, and efficiency.

Your success is at the heart of everything we do. We believe in fostering collaborative partnerships with our clients, and together, we create solutions that drive efficiency, minimize costs, and enhance productivity.

Navigating the Pages Ahead... As you journey through the pages of our company profile, you'll discover our core values, our vision for the future, the breadth of our services, and a showcase of our work. Each page reflects our dedication to building a better tomorrow through exceptional service and a commitment to excellence.

Our vision

To lead with innovation, create lasting value, and drive positive change in industries worldwide.

Key Points

Industry Leadership
Innovation Hub
Lasting Impact
Global Reach

Commitment

We're committed to making this vision a reality, pushing boundaries, and shaping a future of excellence.

About US

Three Miles International Trading & Contracting Co. (TMITC) is your trusted partner for innovative solutions. Based in Dammam, Saudi Arabia, we've earned a reputation for excellence across diverse industries. Founded in Dammam, TMITC's journey is marked by milestones that reflect our commitment to quality and adaptability to industry changes.

Diverse Expertise

Serving Oil and Gas, Electromechanical, Petrochemical, Power Generation, Academia, and more, our diverse capabilities address complex challenges. Our team of skilled professionals drives our success, bringing knowledge, creativity, and technical prowess to every project. Quality, safety, and customer satisfaction are the foundations of TMITC, and we take pride in exceeding expectations.

A Shared Vision

Explore our profile to discover our values, vision, and the scope of our services.

Join us in shaping a limitless future.

01 Integrity

02 Innovation

03 Customer - Centricity

04 Continuous Improvement

Our Values

Our core values are the compass that guides our actions, decisions, and interactions.

Our mission

Our mission is clear and unwavering: to provide high-quality services at the most competitive prices without compromising on quality, safety, or environmental responsibility.

Our services

We offer a comprehensive range of services designed to meet the diverse needs of our clients across various industries. Our commitment to excellence drives the quality and reliability of every service we provide.

We are committed to delivering services with the highest regard for quality, safety, and customer satisfaction. Our extensive experience, combined with our dedicated professionals, ensures that we exceed your expectations in every project.

الأعمال المدنية والميكانيكية

Civil & Mechanical Works

From construction to infrastructure development, we offer comperehensive civil and mechanical works solutions, delivering top-notch quality and craftmanship in every project.

حلول العزل المائي

Waterproofing Solutions

At **Three Miles International Trading & Contracting Co.** (TMITC), we specialize in providing cutting-edge waterproofing solutions to protect and enhance the lifespan of your structures. Our expertise in this area ensures that your buildings remain safe, dry, and resilient against the elements.

Key Features

- Comprehensive Waterproofing Systems for Roofs, Basements, and Wet Areas
- Use of High-Quality Products and Materials
- Experienced and Skilled Workmanship
- Ten-Year Guarantee on Complete Waterproofed Surfaces

Service Offerings

Our waterproofing solutions cover a wide range of applications, including: **Roof Waterproofing**, **Basement Waterproofing**, **Wet Area Waterproofing**.

By choosing TMITC for your waterproofing needs, you can expect

- Increased Structural Integrity
- Protection Against Water Damage and Leakage
- Long-Term Durability and Reliability
- Peace of Mind with Our Ten-Year Guarantee

Waterproofing Solutions:

Roof & Basement Waterproofing

Protecting your property from water damage is crucial for its longevity and structural integrity. At **Three Miles International Trading & Contracting Co. (TMITC)**, we offer comprehensive waterproofing solutions for both roofs and basements to ensure maximum protection against water ingress and leaks.

Roof Waterproofing

Our roof waterproofing services include:

- **Inspection and Assessment of Roof Condition**
- **Application of High-Quality Waterproofing Membranes**
- **Sealing of Joints, Flashings, and Roof Penetrations**
- **Final Coating for Added Protection and Durability**

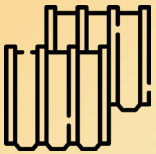

Basement Waterproofing

Our basement waterproofing services include:

- **Assessment of Basement Conditions and Potential Leak Points**
- **Installation of Waterproofing Systems, such as Membranes and Sealants**
- **Repair of Cracks and Waterproofing of Foundation Walls**
- **Drainage Solutions to Redirect Water Away from the Basement**

Benefits

* Extends the Lifespan of Your Property
* Prevents Water Leakage and Damage to Roof and Basement
* Protects Interior Spaces from Moisture, Mold, and Structural Damage
* Enhances Energy Efficiency by Sealing Gaps and Cracks

حلول الكسوة المعدنية والعزل

Metal Cladding and Insulation Solutions

At **Three Miles International Trading & Contracting Co.**, we specialize in delivering comprehensive metal cladding and insulation solutions tailored to meet the evolving demands of commercial, industrial, and infrastructure projects. Our services combine cutting-edge materials, technical expertise, and precision execution to ensure structures are durable, energy-efficient, and visually striking.

Our Services Include:

1. Sheet Supply:

- We supply premium-quality PPGI (Pre-Painted Galvanized Iron), GI (Galvanized Iron), and aluminum sheets in customizable thicknesses (0.2mm to 3.0mm) and sizes.
- Applications: Ideal for roofing, wall cladding, industrial sheds, warehouses, and facades.
- Key Features:
  - Corrosion-resistant coatings for longevity.
  - Fire-retardant and UV-resistant options.
  - Available in matte, glossy, or textured finishes.

2. Sandwich Panels:

- Our PUF (Polyurethane Foam) and Rockwool-core sandwich panels offer superior thermal insulation (U-value: 0.22–0.28 W/m^2K) and soundproofing (STC: 25–40 dB).
- Applications: Walls, roofs, cold storage partitions, and cleanroom enclosures.
- Key Features:
  - Lightweight yet load-bearing (up to 150kg/m^2).
  - Quick installation with interlocking systems.
  - Aesthetic options with concealed or exposed fasteners.

3. Installation Works:

- Our certified technicians handle end-to-end installation of sheets and panels using advanced tools and techniques.
- Process:
  - Site assessment and measurement.
  - Custom cutting and shaping.
  - Seamless installation with weatherproof sealing.
- Guarantee: Adherence to ASTM and Saudi Building Code Standards.

4. Repairing Works:

- We restore damaged cladding systems caused by corrosion, leaks, or structural wear.
- Solutions:
  - Panel replacement with color-matched sheets
  - Sealant reapplication and joint reinforcement.
  - Structural integrity assessments.

5. Fabrication Works:

- Custom fabrication of flashings, gutters, downspouts, and decorative metal components.
- Capabilities:
  - CNC cutting and bending for precision.
  - On-site fabrication for complex geometries.
  - Compliance with BS EN 10143 standards.

Why Partner With Us?

From material procurement to project completion, we prioritize **innovation, sustainability, and client-centric solutions,** ensuring your project meets both functional and aesthetic goals.

- **Expertise:** 10+ years delivering cladding solutions across Saudi Arabia.
- **End-to-End:** Single-source for supply, fabrication, installation, and maintenance.
- **Quality:** ISO-certified materials with pre-delivery inspections.
- **Timely:** 98% on-time delivery via phased tracking.
- **Savings:** Bulk pricing + repair services cut lifecycle costs by 40%.

Build Excellence with Us

Trusted partners for future-ready cladding solutions that boost performance & value.

حلول طلاء الأرضيات

Floor Coating Solutions

Enhance the durability, safety, and aesthetics of your floors with TMITC's floor coating solutions. Whether for industrial, commercial, or residential spaces, our coatings are designed to withstand heavy traffic, chemicals, and other environmental factors.

Key Features

- Epoxy, Polyurea, and Polyurethane Coating Options
- Slip-Resistant and Chemical-Resistant Formulations
- Customizable Colors and Finishes
- Professional Installation and Sealing for Longevity

Service Offerings

Our floor coating solutions include: **Epoxy Flooring, Polyurea Coating, and Concrete Repair and Resurfacing**

Benefits

- Enhances Durability and Longevity of Floors
- Provides Protection Against Chemicals, Stains, and Wear
- Improves Safety with Slip-Resistant Surfaces
- Enhances Aesthetics with Customizable Colors and Finishes

الأعمال المدنية والميكانيكية

Civil & Mechanical Works

At Three Miles International Trading & Contracting Co. (TMITC), we offer a comprehensive range of civil and mechanical works solutions to meet the diverse needs of our clients across various industries. With our expertise in construction and mechanical engineering, we deliver projects with precision, quality, and efficiency

Key Services:

Civil Works

- **Site Preparation and Excavation**
- **Foundation Construction**
- **Structural Development**
- **Road and Pavement Construction**

Mechanical Works

- **HVAC Systems Installation**
- **Plumbing and Piping**
- **Equipment Installation and Maintenance**
- **Industrial Machinery Installation and Alignment**

Civil Works

TMITC specializes in providing a wide range of civil works services aimed at creating robust infrastructure and construction projects. Our experienced team ensures that every aspect of the civil works process is meticulously planned and executed to meet the highest standards of quality and safety.

Overview

Our civil works division encompasses a broad spectrum of services, ranging from foundational groundwork to structural development. We excel in site preparation and excavation, meticulously managing every aspect of the terrain to lay a solid foundation for construction projects. Our expertise extends to foundation construction, where we employ advanced techniques and materials to ensure stability and durability. Furthermore, our structural development capabilities encompass a diverse range of projects, from commercial buildings to residential complexes, delivering innovative solutions tailored to meet the specific requirements of each undertaking. Lastly, our proficiency in road and pavement construction ensures the seamless integration of infrastructure within urban and rural landscapes, facilitating connectivity and accessibility for communities.

Benefits

- Expertise in Handling Complex Construction Projects
- Commitment to Quality, Safety, and Timeliness
- Customized Solutions to Meet Client Specifications
- Proven Track Record of Success in Various Industries

Mechanical Works

At TMITC, our mechanical works division specializes in delivering comprehensive solutions for a diverse range of mechanical engineering needs. From the installation of HVAC systems to the precise alignment of industrial machinery, we leverage our expertise and resources to undertake projects of any scale and complexity with unrivaled efficiency and precision. With a focus on innovation and reliability, we ensure the seamless integration of mechanical systems within various environments, optimizing performance and functionality for our clients.

Overview

Our mechanical works encompass a wide spectrum of services tailored to meet the evolving needs of modern industries. We excel in the design, installation, and maintenance of HVAC systems, providing customized solutions that enhance indoor air quality and comfort while maximizing energy efficiency. Additionally, our expertise extends to plumbing and piping solutions, where we implement cutting-edge technologies and best practices to ensure the reliable supply of water and other essential utilities. Furthermore, our proficiency in equipment installation and maintenance guarantees the seamless operation of critical machinery, minimizing downtime and maximizing productivity for our clients. Finally, our industrial machinery installation and alignment services ensure the optimal performance and longevity of equipment, facilitating smooth operations within manufacturing and production facilities.

Benefits

- Experienced Team of Mechanical Engineers and Technicians
- Adherence to Industry Standards and Best Practices
- Reliable and Efficient Execution of Projects
- Seamless Integration with Civil Works for Comprehensive Solutions

Our Work

Three Miles International Trading & Contracting Co. (TMITC) takes pride in showcasing our completed projects and successful endeavors across various industries. Our portfolio reflects our dedication to excellence and the diverse range of services we offer.

Quality Assurance

Each project we undertake is a testament to our commitment to quality, safety, and customer satisfaction. Our track record reflects our dedication to delivering reliable and exceptional results.
